

3-Year Membership FAQ's

The 3-Year Membership program at Clifton Hollow GC has been a successful program of providing affordable golf without sacrificing quality conditions since 2017. And while it's a simple program, there are inevitably questions about how it all works.

How often can I play?

This is an unlimited membership. Play as often as you like, weekdays or weekends.

Why do I need to pay a cart fee?

This is one of the only stipulations of the membership. Without it we wouldn't be able to have a membership priced so low.

Do I need to share a cart?

Yes, whenever necessary. Each cart holds two players, and the fees we charge are per player.

Will I get paired up with other golfers?

In most cases, yes. Be prepared to play with other golfers. In order for us to keep this program thriving, we need to try and get four players out with each tee time depending on how busy the day is.

I'm new to the program, how do I get my membership card?

When you come out for your first round, let the pro shop know you need to pick up a membership card.

Are there any other benefits with the membership?

Other than great golf at a reasonable price, there are no additional benefits (ie. range, food & beverage, pro shop discounts, etc).

Can I bring my own alcohol?

No. All alcohol consumed must be purchased from Clifton Hollow GC. Violation will result in suspension or cancellation of membership.

Is the course very busy?

Yes, and we encourage you to make tee times in advance. However, there are slower times when it's not as crowded.

How far in advance can I make tee times?

Seven days.

We hope to add you as a member at Clifton Hollow GC. As always, we are available for any additional questions you may have, and we look forward to seeing you on the fairways!
