

## **2-Year Membership FAQ's**

The New 2-Year Membership program at The Hollow GC is a continued improvement on our successful 3-Year Membership, with a shorter term.

### **How does the membership work?**

New members can buy into the program with a one-time joiner's fee of \$99+tax. The upfront dues for the 2-year term is \$240+tax, payable upon joining. Members are granted unlimited golf privileges, 7 days/week with the only requirement that you pay a single person cart fee prior to each round (18 or 9) played.

### **What if I'd like to walk and not use a cart?**

The cart fee for each round is mandatory. Players can opt to walk but must still pay the per round fee.

### **Do I need to share a cart?**

Yes, whenever necessary. Each cart holds two players, and the fees we charge are per player.

### **Will I get paired up with other golfers?**

In most cases, yes. Be prepared to play with other golfers. In order for us to keep this program thriving, we need to try and get four players out with each tee time depending on how busy the day is.

### **I'm new to the program, how do I get my membership card?**

When you come out for your first round, bring your ID and let the pro shop know you are a new member and need to pick up a membership card.

### **Can I bring my own alcohol?**

No. It is a violation of state law to bring alcohol on-site of a business with a liquor license. All alcohol consumed must be purchased from The Hollow GC. Violation will result in suspension or cancellation of membership.

### **Are there any other benefits with the membership?**

We provide a driving range, practice green, pro shop, and bar/grill. Purchases in these areas are additional.

### **How far in advance can I make tee times?**

Seven days.

We hope to add you as a member at The Hollow GC. As always, we are available for any additional questions you may have, and we look forward to seeing you on the fairways!
